01.

OUR GOAL

Thanks to over twenty years of experience, VOXFLO^R **tufting** system can insure perfectly **seamless patterns**, prefect **geometries** and infinite **combinations**.

Crowded cities and their busy traffic can be stressful, but are a certain part of most commuters' everyday lifestyle. To balance it out, we bring nature into people's life, employing a number of methods, using natural materials, natural patterns or simply natural colors.

VOXFLO^R
MILANO CREATIVE STUDIO

VOXFLO^R is always looking forward to **new solutions** and **advanced technologies** to improve its products in every direction, especially exploring **green resources** and environmental friendly **innovations**.

your color story

Since Italy has always been the global center of Innovation and Milano one of the World Capital of Fashion and Design, VOXFLO^R settles there its creative center. A multicultural Team of Architects, Graphics, Fashion and Product designers, study, suggest and develop new trends, fresh flavours and inventive alternatives, to offer our clients the ultimate solutions for carpet tiles. In this way VOXFLO^R sums up the top skills of a Chinese Manufacturer and the most original ideas of Italian Design, in a perfect mix of Western and Eastern taste, to develop the complete global vision of a Design Driven International Company.

02.

COLLECTIONS

Thanks to VOXFLOR **in-house dyeing center**, every tint can be reproduced. This collection, with its **202 different tones**, is the maximum expression of **what color are capable of**.

Design is a need. According to this commitment, the development of new product is constant and never-ending. By grouping the products into large families, since beauty finds its natural place into differences, multiple combinations can generate from time to time unique results. Every product has been built on a single and exclusive concept, in order to be able to meet any possible design request or need and to participate in the creation of an unrepeatable story.
