

CORAL SEA

COLLECTION

VOXFLO[®]
passion and purpose

The Coral Sea Collection is a tribute to the natural wonders of the underwater world. Through an organic patterned design and muted carpet color variations, it's possible to complement a neutral gray base with subtle accents. As in the coral reef, the view always turns rapidly, and the vivid changes in contrast and color density create diverse and dynamic patterns. The various plays of light and shadow and the softly nuanced pastel tones give life to a new interior design element in the balance between the need for a more classic approach and the openness toward creative solutions.

Specifications

Style Name:	Coral Sea
Construction:	Multi-Level loop
Fiber:	Voxflor® Certified Nylon
Gauge:	1/12"
Stitches:	10 per inch
Pile Weight:	20 oz/yd ²
Average Pile Height:	4.0 ± 0.5mm
Backing:	EcoAce-Bac®
Tile size:	50cm*50cm
Total Thickness:	6.5 ± 0.5 mm
Area of Use:	Commercial – Heavy Duty
Anti-microbial:	Ultra-Fresh® Treatment(Available)
Flammability:	ASTM E648 Class I, GB8624-2012 B1(C)
Smoke Density:	ASTM E662 ≤ 450
Static Propensity:	AATCC-134 ≤ 3.5 KV, GB/T 18044-2008 ≤ 3.5 KV

Manufacture System

SOLAR
made carpet

VOXFLO® builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLO® represents qualified and trusty products.

EcoAce-Bac®
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

VOXFLO® recommends using its own carpet tile tackifier with rust inhibitor. It is an EC-1 PLUS certified adhesive.

Ultra-Fresh is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

Declare is a transparency platform to share and find healthy building products. VOXFLO's EcoAce-Bac® Collection reach "Red List Free" grade.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Cradle to Cradle Certified® is the global standard for products that are safe, circular and responsibly made. It is to ensure the impact of their products on people and planet is a positive one.
